➤ **Other Business**

- Council elections are coming up at the end of May. If you think someone would be great on the council, ask them person before you nominate them.

Positions up for election are:

President

Treasurer

Secretary

Social Media

Ask the person before you nominate them for a council position.

- Stacey Kincer has indicated that she would be interested in being a member of the council, however, according to the charter, you have to be a member of the club for at least a year in order to serve on the council. Stacey is a month or two away from fulfilling that requirement. Council brought to the membership the request to waiver that requirement so that Stacey could be considered during the elections. The membership approved the request to waiver.
  - If you are interested in being a member of the council, Brad has invited you to the next council meeting, 28 April 2025, 7pm, so that you can see what goes on. Please get with Melinda or Brad for their address, if you don't know it already.
- The club finally purchased tent weights.
  - Dale is sourcing Club Flags. More info to come.
  - May monthly meeting is going to be a bit different than most of the meetings. The 1<sup>st</sup> half of the meeting is open to the public, but the 2<sup>nd</sup> half is for members and sponsored only. During the 2<sup>nd</sup> half of the meeting, changes to WRJC By-Laws and Constitution process will be explained. Annette will load the current WRJC By-Laws and Constitution and WRJC Code of Conduct to the WRJC Members Only FB page. Suggest all members take a minute to review both documents in preparation of the May Meeting.

**ARTICLE VIII – AMENDMENTS TO BY-LAWS**

1. These by-laws may be amended at the June members and sponsored only meeting by a two-thirds majority vote, provided at least 10 members are present and the amendment has been presented at a previous meeting. The membership shall be notified of the proposed change(s) via club forum at least two weeks prior to taking the vote. There will be a members only session after the May meeting.
2. Grammatical errors or incorrect information does not require a two week notice and can be corrected by membership or council vote upon discovery. Changes of this nature require the membership be notified within 7 days.
